CERES AGRICULTURE FUND LIMITED

TRANSACTION IN OWN SHARES AND TOTAL VOTING RIGHTS UPDATE

Ceres Agriculture Fund Limited (the "Company") the Guernsey domiciled, closed-ended investment company, managed by FourWinds Capital Management established to invest in an actively managed portfolio of primarily exchange-traded agricultural commodity contracts and derivatives and other agricultural commodity related investments, announces that on 21 November 2008 the Company purchased 175,000 ordinary shares in the capital of the Company at a price of US\$0.70 per share for holding in treasury.

Following this purchase, there remain:

- (i) 138,471,418 issued ordinary shares admitted to trading (excluding shares held in treasury). Each ordinary share carries the right to one vote in relation to all circumstances at general meetings of ordinary shareholders; and
- (ii) 175,000 ordinary shares in treasury. The voting rights of treasury shares are automatically suspended.

Accordingly, following this purchase the Company had total voting rights of 138,471,418.

The total voting rights figure (of 138,471,418) may be used by shareholders (and others with notification obligations) as the denominator for the calculations by which they will determine whether they are required to notify their interest in, or a change to their interest in, the Company under the FSA's Disclosure and Transparency Rules.
